Christian Commentary on the Culture

## Statement by Linda Harvey, Mission America and John Stover, Ohio Value Voters on passage of HR 8404, "Respect for Marriage" Act and the future of Donald Trump Candidacy

Linda Harvey statement: "Ohio families should be outraged that four Republicans in the Ohio congressional delegation—Mike Carey, Dave Joyce, Mike Turner and Anthony Gonzalez-- joined four Democrats in exploiting marriage for political purposes. H.R. 8404 is a shoddy attempt to both redefine 'sex' and make marriage a civil right extended to same sex couples. This is a declaration of war on children in America, and Republicans have just opened the door to further child corruption by this phony attempt to normalize and mainstream deviant behavior..."

John Stover statement: "The Republican Party Platform strongly defends traditional marriage and states: 'Traditional marriage and family, based on marriage between one man and one woman, is the foundation for a free society and has for millennia been entrusted with rearing children and instilling cultural values.' We urge the Ohio Republican congressional delegation to either embrace the Republican Platform or change their party to Democrat in the next election."

## "America's Future" Linda Harvey Interviewed by Stacy Harp, Bible News Radio

Linda Harvey was interviewed by Stacy Lynn Harp, M.S., Director, [Heart Tug International](#) and host of Bible News Radio. We talked about the background of Mission America, how I (Linda) came to know Jesus, about being canceled at a recent speaking event because of the phony "hate" label of the Southern Poverty Law Center, and our latest articles about what's happening in the schools.

## Do Children Matter to America Anymore?

Years from now, when the destructive leftist agenda is widely exposed for all the damage it's done, won't it be great to recall that YOU were a part of the civil resistance against this tyranny? That YOU were one of those willing to tell the truth?

There are many ways to join the godly resistance, but we would like to suggest this one: financial support of our modest but highly effective media ministry!

Mission America is not giving in to cultural madness, because God's truth has not changed, so our faith should not, either. That's why our reach is expanding. We live in very challenging times, but darkness provides more opportunities for light to shine even brighter.
