## Mother's Day Blessed By The End of Roe?

By Linda Harvey  
Will this actually happen? Is Roe v. Wade about to join Dred Scott and Plessy v. Ferguson in the trash heap of inhumane, unconstitutional Supreme Court decisions? America can only hope that this unconscionable leak reflects glorious news, a fabulous gift just before Mother's Day. Perhaps the killing spree of our most vulnerable is coming to an end, by God's mercy.

Mission America fully supports the end of Roe v. Wade whenever it happens, and the restoration of full human rights in America, beginning with the unborn. May God continue to hear our prayers and change the hearts of those who think they want the slaughter to continue. They do not know what they do. Father, forgive them, forgive all of us, and heal our land.

## OH HB 616 Has Strong Potential for Child Protection

Outrage from "LGBTQ" activists, some major newspapers, the teachers' unions, and some large school districts is misdirected at best and child-endangering at worst. Showing their extreme leftwing bias or ignorance of the bill's contents, or both, these folks seem more self-interested than concerned about child welfare. They. Are. Wrong. ## Let's End the Destruction and Corruption of Children!

Children deserve life (first of all), and then a time of innocence in childhood. Responsible adults know this and see the dangers in America today.

This is our goal at Mission America: to stand up for sound Christian values in America and protect our children.

Mission America thrives on your prayers, your appreciation of our resources, and the contributions so graciously made to this ministry. We continue to expose anti-child policies and actions.
