Pronoun Passports are Coming

By Linda Harvey
Insanity over pronouns has hit the Midwest. Children and teachers are being pressured to declare their pronouns and parents are livid.

In the Olentangy school district near Columbus, a middle school language teacher required all the students to stand up and declare his or her pronouns.

How long before children are called to the principal's office for being unwilling to state their pronouns?

T-Y-R-A-N-N-Y is what's going on here. The "LGBTQ" folks are serious about obliterating "heteronormativity" and your children are their change agents. (Photo: homosexual/transgender flags on mural at Brunswick (OH) High School)
