### Should Children Be Corrupted at School?

Children deserve a time of innocence in childhood and an education free from exploitation and sexualization. Unfortunately that's becoming more and more difficult to find-- unless we stand up and say NO.

This is our goal at Mission America: to promote sound Christian values in America and protect our children.

Mission America thrives on your prayers, your appreciation of our resources, and the contributions so graciously made to this ministry. We continue to expose anti-child policies and actions.
