Linda Harvey Asks Ohio Board Of Education to Re-Think Social Emotional Learning

Linda Harvey testified before the Ohio Board of Education about the problems with their strategic plan, which is based on "social emotional learning." Are our schools going to become little more than clinics? Will teachers be allowed to play amateur psychologist? How embedded will the racist "equity" agenda and "LGBTQ" propaganda become?

The video of her testimony is below.

The many questions this subject generated are quite interesting. It obviously touched a nerve! Watch below.
