## Abortion Supporters and Beheaded Babies

**NO** on Issue 1 in NOVEMBER!

**NO** to killing the viable unborn child.

**NO** to minors having “sexual rights.”

**NO** to parents shut out.

**NO** to depraved \$ taking over OHIO.

My husband was reading the headlines earlier this week about yet another level of atrocity committed by Hamas terrorists against the citizens of Israel. The bodies of decapitated infants were discovered among the victims.

As he read the headlines, my husband noticed the hypocrisy. “How can abortion ‘rights’ supporters be horrified at beheaded babies? It’s the same thing.”

And he’s right. That’s what Michigan now allows through their abortion measure passed last year.

### Read Wholesome Books!

### Let's Encourage Wholesome Books for Children

This is the season where we hear lots about "banned books." But it's a very misleading message-- as if parents must accept any old trash book publishers persuade librarians to stock. Do we trust the schools and libraries these days? Not so much...

So let's encourage and stand up for positive, wholesome books and other media presented to our children. See the articles on our home page.

Please continue to catch our Mission America radio commentaries on Tuesdays and Thursdays on [WRFD, The Word Columbus](#), and read Linda Harvey's articles at [www.missionamerica.com](#) and elsewhere. Join us in pledging to keep standing for the teachings and values of our Lord and against the sad destruction that threatens to consume America. The truth of Jesus will prevail against all enemies-- never doubt that.
